take-a-tank!

ECOtanka single wall drink bottle range offers a high quality bottle that fits up to 7 different lid types and a selection of neoprene cooler covers in different sizes and colours to protect your bottle, keep it cool and change your bottle style.

ECOtanka thermoTANKA bottle range keeps your drink hot or cold throughout the day due to it's double wall vacuum design. There are 6 different lid types that you can choose for this bottle.

The NEW ECOtanka lunchBOX and pocketBOX combo offers the perfect solution to keep your food healthy and fresh on the go. The lunchBOX offers plenty of space, with a stainless steel lid and a silicone seal, making sure no food in contact with plastic!

The pocketBOX offers an EU-grade silicone lid to keep your food separate. Two pocketBOXes perfectly fit into one lunchBOX.

ECOtanka drink bottles and lunchBOX combo:
A perfect match!

ECOtanka™
